

### Corpus Christ Booster Parent Agreement

Corpus Christi has always had a “no pay” policy for our student athletes. We would like to continue this tradition, but also have the need to staff and operate our various athletic booster fundraisers.

Your participation in our booster events are critical and by having a son or daughter playing sports for our school this will ensure your involvement. Basically, if you have a child playing sports you are automatically required to contribute to the booster efforts, either through volunteering or contributions.

All families schedules are busy and because of that we are offering a few options. As a booster club member you can sign up to work a shift at a booster event, coach a sport, contribute food or supplies, or provide gift donations for special events

How would you like to be involved? We'll use this list to contact you about specific needs as they come up during your child's sport season(s). You may choose more than one.

- Volunteer at sporting events with scoring or concessions
- Donate food or supplies for events
- Cash / Gift contribution for special events

I have read and understand my responsibilities as a booster club member. You can contact me at:
